(Terms of Service Provision, Privacy Policy and Cookies Policy)

M A S T E R N O D E S C L U B

§ 1. Preamble

1. MasterNodes Club is an internet website which provides the services to Users available on the Website. The Website is accessible via <https://wearemasternodes.club>.
2. The Administrator and Service Provider is a company Perfect Lion Solutions Ltd of Charlestown, NTL Limited, Suite 9, Nevis, registration number: No. C 50101. A User is obliged to direct any statements in connection with the Service Provider's activities with this entity and the contact with the Service Provider is available via the form available on the Website or directly at contact@wearemasternodes.club.

§ 2. The Subject of the Services

1. The Users are offered the access to the Services, provided within the Website in accordance with their scope, and the possibility to use them in compliance herewith and any additionally published terms and conditions, including in particular the information included on subpages of each Service.
2. The scope of the Services is up-to-date with the one that is available within the Website, with the possibility of setting Masternodes up automatically, including the VPS server configuration and a local wallet, as well as using the Partner Program.
3. Masternodes is an alternative way to obtain virtual currencies. This method is close to the POS (Proof of Stake) mining method but using Masternodes one may obtain large amount of virtual currency.
4. Using the Service does not require to have an included wallet, to which obtained virtual currencies are transferred.
5. To launch the service, it is required to provide the Service Provider with the input data, which shall connect the User's wallet with the server.
6. Maintenance of the Masternode is subject to a monthly fee according to the rates visible on the Website. If the User does not pay in the following month for the service, his/her Masternode shall be disabled.
7. Within the temporary packets, the User may change the Masternode once a

- month and change the particle Masternode once every three months.
8. Setting the particle Masternode up, the User agrees that transferred coins shall work for at least 3 months and they shall not be withdrawn earlier.
 9. Coins obtained from the particle Masternodes prizes are added to the balance of the personal account of the User.
 10. The User may vote for coins, which, in his/her opinion, shall be added to the Website to enable setting the Masternodes up on them.
 11. After purchasing the service, the User may start using the service at any time. A period of time of the service usage starts at the moment of starting using the service.

§ 3. The Registration, Agreement and Verification

1. The Agreement may be concluded by natural persons, legal persons and other organizational units to whom the law assigns legal capacity. The age of adulthood is determined by the law of the User's country of origin. Registration is free and the User gains access to the functionality of the Website. In case of doubt as to the age of the User, the Service Provider may verify it by requesting the submission of relevant supporting documents.
2. By the registration on the Website, through fulfilling the form, accepting the checkbox and confirming his/her data, the User concludes the Agreement on service provision by electronic means, accepts the available Terms and Conditions, and in particular:
 - 1) The scope of provided Services;
 - 2) No need to invite a new person to the Website;
 - 3) The terms and conditions of payments;
3. The registration itself does not require any fees, the User decides whether he/she deposits means or purchases the Service.
4. It is necessary to pay the fee according to the rates available on the Website to activate the account.
5. Activating the account results in activating one coin. The activation of a coin is understood as a full access to the Website, instruction of setting the Masternode up for a particular coin and server required to maintain the Masternode environment. The activation is lifelong, even in case of lack of paying a monthly fee of the service on the coin.
6. The User may use the packets only on the activated coins.
7. The User receives 100% of obtained coins. The Service Provider does not charge any commissions.
8. In the event of any purchase on the Website, the User confirms that he/she is aware of the lack of the right to withdraw from the Agreement as the delivery of digital content and the situation in which prices and remuneration (commissions and all other receivables available within the Website) depend on fluctuations in the markets, which the Service Provider does not control.
9. During the prelaunch stage (primary start of the Website), operation of the

Website is limited to the account activation and coins activation only. After the prelaunch stage the masternodes configuration shall be available.

10. The User is obliged to provide correct and real data in the Form. In case of justified doubts about the authenticity of the provided data, the Service Provider reserves the right to suspend the activation of the account.
11. As a part of providing data by the User within the Website, and in particular during verification, the Service Provider may request the following type of information, out of many:
 - 1) name and surname;
 - 2) phone number;
 - 3) type of an account:
 - a) private;
 - b) business - in that case the Service Provider may request additional data indicated in the form and sending to the Service Provider appropriate documents indicated in the form to complete further verification;
12. In case of a private account (of a natural person) provided data my concern:
 - 1) name and surname;
 - 2) citizenship,
 - 3) identification number of civil register or birth date if such a number is not used in a User's country,
 - 4) series and number of a document confirming an identity of a person,
 - 5) address of residence - in case of having such information by the authorities,
13. In case of a business account (of a company, legal person or an entity which does not have a legal personality):
 - 1) name (of a company);
 - 2) organization form,
 - 3) address of the registered office or address of business activity,
 - 4) Tax Identification Number NIP and in case of lack of such a number - a country of registration, commercial register as well as the number and dates of registration,
 - 5) identification data, under (6) of a representative person, who represents legal person or an entity which does not have a legal personality.
14. The Service Provider may introduce additional security methods for an account, including especially procedure connected with the Google Authenticator application or similar.
15. The Service Provider having reviewed provided data, may reject the registration of the User on the basis of low credibility of provided data by the User or demand to provide additional documents, including the identity card or passport, a photo of the User holding the said documents, or a photo of the User presenting in the background a well-known place from the area of User's place of residence (up to 15 km). The User acknowledges and agrees, that in connection to AML procedure (preventing money laundering and financing

terrorism), the Service Provider may demand to verify the User at any time of his/her activity. Lack of verification, confirmed by documents, may result in suspension or removal of the account, including writing off collected funds.

§ 4. Rules of Transferring Funds

1. Available methods of deposit and withdrawal of funds are included on the Website within the User account. Usage of funds is required to meet the conditions set by the providers of these services.
2. Deposited funds (and owned to profit on the Website) are included on the account as available funds.
3. Ordering withdrawals below the minimal amount of USD 50.00 shall not be executed. In the event that the minimum withdrawal amount is not reached, the funds shall be on the account as available funds and the funds shall be withdrawn to the User when the minimum withdrawal amount has been reached and the withdrawn order is placed again.
4. The User does not have the right to transfer of claims (assignment) to other entities.

§ 5. Partner Program

1. As a part of the Partner Program, the User may recommend services provided by the Service Provider and benefit from such an activity in a form of a commission.
2. The Partner Program is available only to the User with an active account.
3. The User may receive the commission for the activation of the account of a new User and also for the coin activation, payment for the service and purchase of packets by recommended people, according to the value available on the Website and the Marketing Plan.
4. The Service Provider declares, and the User acknowledges and agrees that obtaining new Users within the activity on the Website is not necessary or needed to profit. Any possible information on ways of profiting including the benefits of inviting new people shall not be understood as a required form to operate on the Website. In particular, the phrase "all you have to do is to invite one / another person" does not mean that this is necessary in the scope of the Service Provider activity. The acquisition of new Users aims to increase the scope and profitability of the Service Provider, thus, the Users and the availability of services enables the Website to be used and profit from such activities.
5. The activities of the User on the Website are performed for own benefit and risk, and the basis of the activities is a voluntary registration at the moment of the conclusion of the Agreement and the selection of the contract. Except for the conclusion of the Agreement on service provision by electronic means, the User is not bound to any other legal relationship, in particular including, under

labor law or other, unless the relationship of the Parties has been established on the basis of separate, written agreements or settlements. The User is not entitled to act contrary, directly or indirectly, or violate the provisions hereof, and terms and conditions of cooperation with the Service Provider. In particular, the User shall not act on behalf of or for the profits of the Service Provider.

6. The business activity of the User is subject to generally applicable regulations in this respect. The Service Provider shall not be liable to the User or any third parties for any failures or actions resulting in a neglect or violation of applicable law. The Service Provider does not provide the Users with any consultancy services, in particular regarding legal, financial or tax advising. It is the User's responsibility to settle the tax on his own.
7. The User operating within the Website is obliged to:
 - 1) respect all the terms of participation and rules applicable to the Service Provider by adjusting to their content and intentions they are based on;
 - 2) in relations with other people, be guided by the principles of honesty and proper treatment; to present the products, services, terms and conditions and prospects of cooperating with the Service Provider in a fair and honest manner;
 - 3) not to use misleading, deceiving, dishonest practices or sales; adapt own actions to terms and conditions of cooperation set forth in the Service Provider's documentation and the guidelines provided by the Service Provider, in the sense of personal liability for their violation or nonconformity;
 - 4) inform every new person about the lack of need to invite other people within the Website usage, what Masternodes and virtual currency is as well as an existing risk connected with the virtual currency market.
8. The risk in the context of virtual currencies is understood in particular as the exchange rate risk, the lack of the central issuer and bank guarantees, thus the virtual currencies obtained as a part of the business activity may either gain or lose value with the passage of time.
9. The User has the right to use the company (name of the company) and logo (trademark), photographs, prints, information owned or protected by the Service Provider, solely in compliance with the rules set by the Service Provider. Exercising the rights hereinabove to other extent is possible only after obtaining the prior direct consent of the Service Provider specifying the scope, manner, form and the time, if applicable, of such use. The use of the Service Provider trademark is permitted on the basis of the rules set forth on the Website, considering the following provisions:
 - 1) if the User advertises, publishes or uses otherwise the trademark of the Service Provider, he/she is obliged to add "Independent Partner";
 - 2) if the User has created a Website, which is solely concerned with the Service Provider partnership or is described as one of several programs,

**THE USERS SHALL
INDICATE THAT THEY
ACT AS INDEPENDENT
PARTNERS**

the statement "Independent Partner" and the name of the Service Provider shall be visible on the home page;

- 3) if the User uses in own domain indication (in words) of the Service Provider or its part, the Service Provider may demand a transfer of the domain rights or to change the content or structure on the Website;
10. The User shall not seem to be acting on behalf of the Service Provider in User's professional contacts or contacts with other Users. Partners shall not use the title of a "Manager", "Director" or "President" or other similar title unless the Service Provider agrees and gives such title. If the provision is violated, the Service Provider may warn the User, including imposing appropriate sanctions, including suspension/removal of the User Account. If there are additional terms and conditions/guidelines/instructions applicable to the Partners, they are applicable accordingly.
11. It is not prohibited to cooperate with other entities providing services on the market by the User, however, to sell directly or indirectly products or services of another company to other Users of the Service Provider and to offer them cooperation in this matter shall be deemed as a serious violation of interests of the Service Provider. It is prohibited to combine the Service Provider's presentation with other presentations in one material unless the Service Provider has given his consent.

**PARTICIPATING IN
OTHER PROGRAMS IS
ALLOWED**

§ 6. Liability

1. Any violation of the provisions hereof shall result in a warning, a complete lock of the account, limitation of the use of certain services and imposing a contractual penalty up to the total of collected funds at the Service Provider's discretion. If the User has taken steps that are not prohibited hereby but are understood by the Service Provider to be harmful or unwanted, the Service Provider shall notify the User via email, and demand to discontinue such an activity immediately and remedy the effects. No response and lack of prompt reaction of the User to the request of the Service Provider is a violation hereof.
2. The Service Provider shall not be liable for any effects resulting from the possession of the third party of the access password to the User account. In particular, it concerns logging in to the Website by the User from different locations.
3. The Service Provider shall not be liable for services provided by third parties, who provide services to the User under their own name and for own profit, under separate terms and conditions and under separate agreements concluded with the Service Provider or its contractors, in particular with the reference to the payment methods. Terms and conditions governing the provision of such services belong to the entities providing these services and these entities are solely liable for them. Any complaints to the Service Provider in this regard shall be passed to these entities.
4. The Service Provider is not liable for a change of value of obtained funds on

the virtual currency market.

§ 7. Complaints

1. The User and third parties may notify the Service Provider any abnormalities related to the operation of the Website and its functioning via e-mail address or through the Support or other appropriate tab.
2. The notification should specify:
 - 1) description of the violation;
 - 2) request for a specific behavior to handle the complaint.
3. The Service Provider shall provide information on the examining notification by electronic means in 30 (thirty) days from the date of its submission. The response to the notification shall be sent to the notifier via the address provided in the notification. The Service Provider reserves the right to extend the above deadline by the maximum of 30 (thirty) days if the examination of the notice requires special information or overcoming obstacles encountered by the Service Provider, in particular hardware or network failures. The Service Provider further reserves the right that the examining of the notification may require the notifier to provide further clarification - the time of the exchange of the correspondence prolongs the period in which the notification is examined appropriately.
4. User's submission of a complaint in the electronic form is equivalent to agreeing to receive a reply from the Service Provider also in the electronic form.

§ 8. Additional Information about the Services

1. The Service Provider shall ensure the operation of the teleinformatic system which is used in such a way that each User may terminate the use of electronic services at any time. In connection with the rules of withdrawals of funds, the User should refer via the e-mail address of the Service Provider.
2. The Service Provider shall ensure that the used information and communication system is used in such a way as to prevent an unauthorized person from accessing the content of the transmission of electronic services, in particular through the use of cryptographic techniques.
3. The Service Provider states that the use of electronic services may involve a technical risk, typical for the usage of IT systems.
